What's In Your Water?[™]

E³

*Efficient, Electronic, Engineered
and Produced in the USA*

Save On Energy With Soft Water

The Hellenbrand E³ Water Conditioning System Saves You Money!

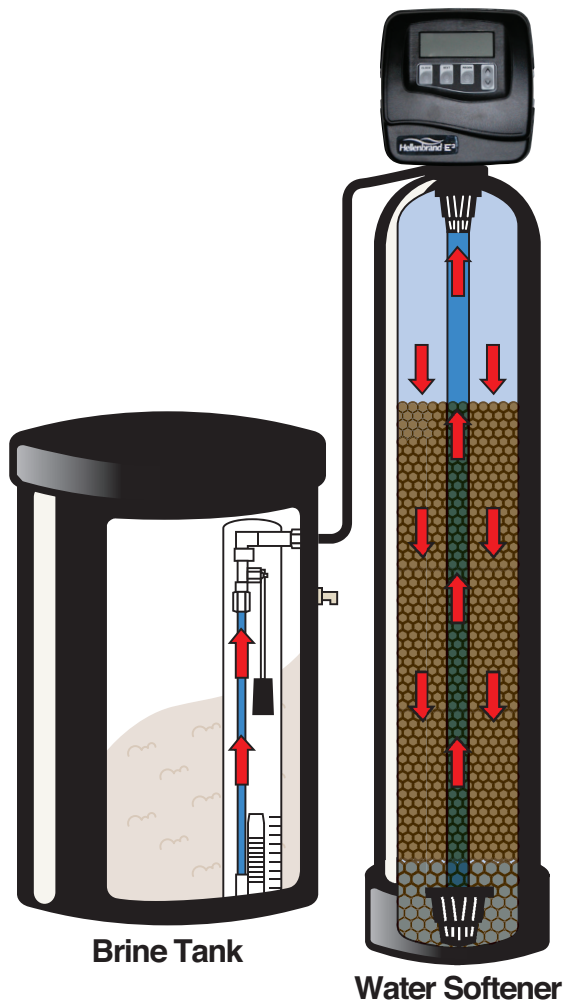

Better in the bathroom.

Better in the kitchen.

Better in the laundry.

Brine Tank

Water Softener

In The Bathroom . . .

- Soap rinses cleaner with more lather
- Hair feels softer and cleaner
- Stops soap residue and scum
- Eliminates scale on fixtures
- Protect the working parts in the water closet

In The Kitchen . . .

- Shiny, spotless dishes and glasses
- A sparkling clean sink
- Use less soap in the dishwasher

In The Laundry . . .

- Saves on detergent and additives
- Clothes are brighter & whiter
- Clothes last longer
- Colored fabrics stay vibrant
- Washing machine operates more efficiently and lasts longer

Throughout The Home . . .

- Spend less time cleaning
- Water heater is more efficient
- Protect pipes and plumbing fixtures
- Cleaning products work better
